Who is in your family?

Who in the community helps you and how?

What are you proud of?

What could you tell people at home to make them feel proud of themselves?

Who is special to you and why?

### RHE

In Piece 2 we will discuss physical contact that we like, e.g. a hug from family, and that we don't like, e.g. being hit. We will talk about how different people prefer different types of contact, e.g. some people like being tickled and some don't.

Children are taught that they have the right to say "Please stop. I don't like that".
