Home Discussions

Are there jobs or roles that that only a male or a female can do?

Are there roles that both males and females can do?

Why do you think we see often more of one gender doing certain roles e.g. women cooking?

What are the rules in your house for safe internet, gaming and social media use?

Who has a positive influence on you?

How can you show them your appreciation?

RHE

In Piece 3 we learn about online safety. We focus particularly on using our judgement to make safe choices. We will discuss:

- How online games may be free, but if they contain 'in-app' purchases then they will try to persuade us to spend money
- How games and apps involving messaging can enable bullying and talking to people who we don't know in real life who may not be who they say they are
